**ALTIUS IT MANAGEMENT HOLD DISTINGUISHED SECURITY CERTIFICATION**

*Altius IT management makes commitment to distinguished security certification.*

**May 19, 2009 – Santa Ana, CA** – Managing Principal of [Altius Information Technologies, Inc.](http://www.AltiusIT.com) (Altius IT), hold distinguished Certified Information Systems Auditor (CISA) certifications.

The Certified Information Systems Auditor (CISA) credential was recently voted the Best Professional Certification Program by the 2009 SC Magazine Awards. SC Magazine presented CISA with this distinguished honor at the recent RSA Conference in San Francisco, California, USA.

According to SC Magazine:

-- The technical skills and practices that CISA promotes and evaluates are the building blocks of success in the field. Possessing the CISA designation demonstrates proficiency and is the basis for measurement in the profession. With a growing demand for pros possessing IS audit, control and security skills, CISA has become a preferred certification program by individuals and organizations around the world. CISA certification signifies commitment to serving an organization and the IS audit, control and security industry with distinction.

Additional information about the award is available at [www.scmagazineus.com/Best-professional-certification/article/130888/](http://www.scmagazineus.com/Best-professional-certification/article/130888/).
