Total IT Assessment

Altius IT's assessments identify the areas that deliver the most value for your organization. By identifying and quantifying IT related strengths and weaknesses, we deliver bottom line results. Altius IT's assessments include:

- Network assessments
- Security assessments
- Penetration assessments
- Web application and database assessments
- Web site assessments
- Risk assessments

Pick one assessment a combination of any of the above. Our Total IT Assessment is a comprehensive review of your technology, people, and processes and includes all of the above assessments.

We Help Businesses Succeed

As a leading information technology (IT) resource, our track record of helping businesses succeed is featured on *MSNBC* and in over 40 publications including *The Wall Street Journal*, *Business Week*, *the Los Angeles Times*, and *USA Today*.

Risk Assessments

Altius IT assessments help your organization manage risks from both present processes as well as possible future events. Our risk assessments are ideal for:

- Fast growing firms
- Firms with large clients
- Ensuring system availability
- Managing IT related risks
- IPO ready organizations
- The financial and health care industries

Business Risk

Altius IT's risk assessment services helps your organization find ways to manage events that negatively impact the financial and information assets of an organization.

We help identify, assess, and reduce the potential that an adverse event will occur. Altius IT's services put in place the steps necessary to mitigate and manage risks.

System Availability

Altius IT's risk assessment services review and analyze areas that ensure network and system availability. Our services provide :

- Single Points of Failure (SPOF) Analysis
- Business Impact Analysis (BIA)
- Business Continuity (Disaster Recovery)
- Risk Mitigation (Insurance)

Benchmark Research

Our analysis includes a comparison of your IT department with industry benchmarks (staffing, revenue levels, etc.) so you'll know if you are making effective use of your IT spending.

Our deliverables include a report of our findings as well as recommendations, costs, and a prioritized Action Plan. The entire Work Plan takes from one week to as long as three months, depending upon the scope.

Risk Management

Altius IT's experts provide outside, independent risk assessments that help your organization:

- Develop strong relationships with large customers
- Manage growth
- Minimize business and IT related risks
- Increase revenues
