

For Immediate Release

JIM KELTON ELECTED TO BOARD OF DIRECTORS OF INTERNATIONAL ASSOCIATION OF PROFESSIONAL SECURITY CONSULTANTS

Helping shape the way the world responds to new and emerging security threats.

Santa Ana, CA – Jim Kelton, Managing Principal of [Altius Information Technologies, Inc.](#) (Altius IT), elected to International Association of Professional Security Consultants (IAPSC) board of directors.

“Being elected to the IAPSC board of directors is both a great honor and a great responsibility. Organizations look to IAPSC to be forward thinking on security issues that will affect them now and in the future. Being part of the board allows me to help shape the way the world responds to security issues for years to come” says Jim Kelton.

For over three decades, Jim Kelton has been recognized as a thought leader in IT security and is frequently called upon to provide guidance for formulating effective security safeguards for new and emerging threats.

About [IAPSC](#) (International Association of Professional Security Consultants)
The International Association of Professional Security Consultants, Inc. (IAPSC) is the most respected and widely recognized consulting association in the security industry.
