ALTIUS IT BECOMES 100% CARBON NEUTRAL

Altius IT's information technology [risk assessments](#) and audit services become 100% carbon neutral.

September 11, 2008 – Santa Ana, CA – [Altius Information Technologies, Inc.](#) has reached its goal of becoming a 100% carbon neutral business.

“As an IT security audit and assessment firm, we work very closely with client organizations and understand that we have a responsibility to reduce our carbon footprint as much as possible – both to minimize our impact on the client and to minimize our impact on the environment,” explains Altius IT Managing Principal Jim Kelton.

Altius IT is working with [StandardCarbon.com](#) to neutralize its carbon emissions by contributing funds to ongoing global environmental programs. Offsetting emissions combined with the environmentally friendly business activities and processes already practiced by Altius IT staff – has helped Altius IT reach its goal of becoming 100% carbon neutral.

“Becoming 100% carbon neutral has not been an easy task. We’ve worked hard to become the kind of company that organizations practicing sustainable and responsible purchasing – are proud to do business with,” says Mr. Kelton. Altius IT is committed to the social, environmental and economic well-being of the global community in which our clients and team members live and work.
